“ *My beautiful niece Amanda Panda (Panda Mae) I miss you so much. I remember coming over to your house when you were little and we would play games and you be so silly ☐ and funny.*

I had a dream about you not long ago we were sitting on the stairs talking and laughing for hours. I was so proud of the woman you became and of all your accomplishments. You left us way too soon. I'll carry you in my heart forever. I know now that you are with your grand parents now in heaven. I love you and miss you so much!
