“ *She was more than just a picture and words, she was a saint. A true believer in our lord Jesus and the scripture. The memory of this woman and her ever lasting touch on the people she loved and ones that she helped will stay forever in the minds and hearts of those that knew her. My heart and love go out to her and to her children and the man that was her ex-husband. In the greatest time of her need the final act of love from the ones that loved her the most was reflected in the tender care given to her. May she rest in peace and sing with the angels and protect and vigil over her children and grandchildren.*
