“ I just saw this today. My Aunt Aniela, my beautiful Ciocia is gone and I don't know. She stepped in as a mom to me when I needed a mom since my mom, her sister had passed away. She would say go live your life Denise. You're married now. Now you have kids. Be the best mom. She would call and if my answering machine picked up, she would not leave a message. I finally figured out what she was doing. I always told her it be easier for her to call me because of the time difference. I regret not calling her as often as I should have. I love her with all my heart. And I love you my cousins. I am so sorry I lost touch with her when she moved to California again. Thank you Aunt Aniela for all you do for me. I know you're happy now that you're with uncle Stanley. Peace.
