“ Dear Donnie,
Please accept our sincere condolences on the passing of your mother. She was a truly kind and gracious woman—always thoughtful, always generous. Her quiet acts of kindness, especially during times of loss, were deeply appreciated. I recall how she made a point to attend wakes and reached out to my mom with heartfelt calls, particularly after Dexter passed. Those gestures spoke volumes about her character and compassion.
Wishing you peace and comfort as you honor her memory. May you find strength in the love she shared and the lives she touched.
With deepest sympathy,
Ron & Nora Blazek

“ I'm Steve Caraballo and I have been Donnie's best friend for 37 years since 1988. Mrs. Gocha has been a part of my life as much as my dearest friend. I remember the first time I met her and she welcomed me with a smile and the warmest of greetings. She said please stay for dinner there is plenty of food. Right then and there I knew it was going to be the start of a wonderful bond between me and this great family. Through the years we laughed and talked and there were many more dinners. She was a great cook, I will never forget if she didn't know what to prepare she would improvise and create her own concoctions and wow it always came out great. I love you Mrs. Gocha and I always will, you were like a second mother to me. RIP I will never ever forget you for as long as I live.
