“ I met Billy in 1994 and we became really good friends. He taught me how to do a lot of things like laying tile, plumbing, work on cars and I taught him all about electrical, phone, computer & cable wiring when we wired his moms new house in Wooddale. We would meet for breakfast, lunch or pizza occasionally. We would talk every few days and always kept in touch with each other. We miss him dearly and know he is not suffering anymore. May God bless and keep him up in Heaven with all the other angels. Love, Jim, Nicki & J.J.
