Saddest birthday of my life was this year...1st time in 15 years that I didn't spend it with Bruce. I will treasure his love and all the wonderful moments we shared together forever. That, was my gift..and to be married to him for 15 1/2 years.

“ *Vic, Anthony and all the Presny Family, I am so very sorry for your loss. Bruce and I worked together many years at ORD. Anytime I was with him he brightened my day. We talked about our Families, shared a love of music and guitar. The world is a duller place without him. Rest In Peace my friend Rich Mikal*

“ I’m so sorry to hear about the passing of Bruce. Bruce and I were together many years ago, about 40 years ago. I did love Bruce but our lives took different turns and we no longer communicated. I have always held a place in my heart and mind for Bruce, he was a good man. Rest In Peace Bruce, I’m sure you and Brian are sitting on Heaven’s bar stools reuniting and at peace!
My condolences to the Presny family in your loss!

“ I remember Bruce as a very nice guy who always helped troubleshoot and repair any sheetmetal issue at O'hare. Always treated people with respect and was kind to all.
He will be missed

Bruce was one of my childhood buddies growing up. We played guitars together while growing up. I remember when he got his sheet metal apprenticeship. He was so excited to finally have a trade to get into that he loved. Bruce and Brian were very dear to me and will be truly missed....

My heart goes out to the whole Presny family and you Anthony for your loss. Know words can express how sad I was when I heard about his passing.
Bruce and Brian were a big part of my life when I was growing up. In my heart I believe Brian and Bruce came in to this world together and are now with each other in a magical place.

Bruce has been a part of my life for so long. First a schoolmate, neighborhood friend, high school friend and then brother-in-law. He has always been my family and I will remember him always as my brother. I will treasure the 50 plus crazy, sad, happy, nutty, loving years of memories that will forever remain in my heart.
