“ Dear Carol, I have very fond memories of getting to know you at family gatherings. You were always one of the first to welcome me and help me feel more comfortable each time. John shared a lot of memories with me about times growing up with his cousins. I remember you as being so devoted to your family and your face always beamed with the pride and joy you had for them. Please be at peace now.

Carol I'm sorry we didn't remain friends in life. Often something will happen that will make me think of you. We had a lot of laughs and good times I remember the day we decorated your car for your 21st birthday and you had to drive it like that to work. Fun times for sure I'm sorry I wasn't aware of your illness possibly I could've reconnected and been some comfort to you if that was possible rest in peace, my dear friend.
