“ Cuz, you will be missed. Wanted to remember you as laughing and we had a good time at the lunch we had. Now seems so long ago. Casey is being well taken care of and settled in very nicely. So don't worry he will be just fine. How I wish you hadn't left so soon. The Good Lord had other plans. RIP Cuz, Love you. Linda & Bob Ogilvie.

“ I can't believe she's gone. My heart is broken. Carole and I spent many hours, sometimes days together, over many years, laughing and sharing deep conversation, as we watched and listened to our better halves playing their music. Floyd's, Six Flags Great America, Reno Nevada, were just a few places where great memories were made with Carole. I promised myself that after Manny and I were vaccinated, we would surely get together. I'm so sad that we didn't get our chance to reunite. I will miss you and always love you Carole. From you sister from a different mother. Laurie
