“ *I went to high school with Caryn and had many good times hanging out. She was always fun to be with. My thoughts and prayers to her family.*

“ Caryn was a wonderful friend to my mother, Maryann. She was key to helping her stay independent in her home by helping weed, plant and maintain the garden at her house. She would also meet me in Michigan in her zippy yellow car to bring my mom back from a trip to the lake. They spoke almost every day supporting each other through their battle with cancer. She was an angel on earth and will be missed. Given her love of dogs, I am making a donation to the local humane society in her honor.

“ My deepest condolences go to Caryn’s family. She always had you in her heart. I know from our conversations that she loved you all very much and she knew you loved her.

I too feel a profound sense of loss. Caryn and I have been friends since high school. She was certainly unique. She was empathic, artistic, musically talented, a gardener & landscaper, woodworker and a Jill-of-all-trades. I was afraid to mention something was broken because she would drop everything to come fix it. But that was Caryn, always wanting to help. Her schedule was often filled with volunteering.

Caryn was a confidant and trusted friend. She handled her illness with grace and dignity. I never heard her complain; she was a positive thinker. Caryn was a very spiritual woman as well. Although we feel unspeakable grief, I realize this grief only exists because we loved her so much and loved having her in our lives. For that I am extremely grateful.

“ Caryn was a kind and talented person who shared her love of photography with the St. Giles Community as well as being known for her love of animals. She was a very brave woman who accepted her illness without complaint. She was always kind and upbeat and will be truly missed. My sincere condolences to her family.
