“ Cathy, Jim,
I'm so sorry to hear of your Mom's passing. I remember how kind she always was. To this day I think of her fondly when I see a little scar on my finger; a repair she made when, while working on an art project I closed a pocket knife on my hand. With unruffled efficiency she came to our house and put everything to rights. I hope you and your families find peace of heart in the knowledge that she is loved and admired. Love & prayers, Pam

*Cathy and Jim,
Pam just sent me a message that your mother passed away. I was wondering how she was doing just the other day. She is doing well now. I appreciated all she did for us over the years, and appreciated the care she and your dad gave to our parents when they were in their declining years. May the Lord bless you with peace and comfort at this time.

*Dear Cathy,
Brian and I were sad to hear of the passing of your mother. Bill would always talk about your mom fondly, and tell the best stories that centered around her compassion for others and her sense of humor. May your memories of her surround you with peace, love and joy.
