“ I am Sylvia Perilli. Charles W Olsen 111. Mother. I am in shock that my second born adult child has passed away and no one told me. I loved my Charlie with all my heart. And still do. Myself and none of Chucks relatives from his mother's side were not mentioned it is sad that people can be so hateful at a time like this. You will be missed for the rest of my life. My heart is forever broken. Someday we will be together again.
