“ Dear Danny (Lil Bro) your memories will never fade away.. My dear brother now that your gone. Your no longer here to share, the bond we had together. Yet somehow something tells me that you’re watching over me! Now that from worldly cares, you finally see free. I miss you so very much and my tears I cannot hide. Yet within my heart I feel, you are always by my side. Ever since you went away, Life has not been the same. Yet, it comforts me to know that one day “WE’LL MEET AGAIN”. Long Live Danny, My heart feels so empty with losing you and our Nene 😞💔 Fly high always kid I love you 4~ Life

“ I can't believe I'm writing on this page about you. We talked a month ago and I asked you repeatedly are you saying goodbye. All you would say was mom I love you and nah just needed to hear you. I don't understand gods reasons and why he's taking the ones I love dearly. I promise you one thing for sure and two for certain you'll continue to live on as long as I have life. I love you beyond measure.
