“ I can't believe this. I am heartbroken. I knew Diana well in the 90s and 2000s. We worked together and were great friends and traveled together to NYC and Spain. We had the best time! I last saw her in 2011 at a reunion. I was just in NYC because my son is at University there, thought of her a lot and sent her a message. Will someone please let me know what happened? Thank you -
