“ one nite while at lake como in wisc. dolores and I went fishing on the pier near schroeders house. We caught a bull head HUGE WE SCREAMED SO LOUD THAT SCHROEDERS CAME OUT OF HOUSE TO SEE WHAT WAS GOING ON well needless to say we had a few that nite and we laughed our heads off will never forget her kindness to me against all odds of being accepted and measuring up to impossible standards all the while thru criticisms of those who never ever really understood. She was a dynamic person with many struggles but loads of love in her heart. May God Bless her abundently with his grace! clarisse m powers P.S. schroeders kept the fish he said it would be good eating! YUK!
