“ *Thanks for all the good times and priceless memories. It's hard not to smile when thinking about you and all the times we shared. Thanks for the smile I am wearing right now, and the smiles your memories will continue to supply me with over the coming years.Heaven has received a hell of a foosball player and all around good guy. Save me a spot at the table.The world is a little bit less special place to me now, but I take solace in knowing the heavens are just a wee bit brighter.Friends always.....*
