“ *The world of malamutes will not be the same without Eileen Kinnas in it. But she will be forever etched in our memories . Eileen was totally devoted to the breed and totally devoted to all animals. I will never forget her calling me as she had stopped to save a dog hit by a car. She could not pass the dog by. She stayed with him until help could come. She was truly an animal advocate and humanitarian in all ways. There will never be another Eileen , the world lost a very kind soul and I lost a true friend . xxxxx We will truly miss you Eileen. xxxx*

“ I loved hearing Eileen’s stories regarding her beloved malamutes. Her knowledge, love and passion of this extraordinary breed was enormous. Her contribution to the breed enormous. I’m so blessed to have had her lineage in my own dogs. My sincere condolences to Cindy and everyone who loved this funny, spitfire of a lady. ❤️

“ To my Kinnas family, my heart is heavy and sad for your loss. Aunt Eileen was a beautiful lady that was there for me many times. I will never forget her heart and her love for her family and fur babies.
