“ Auntie El, the best Great Aunt in the world. You told me when I was 12 and moving to Hawaii that when my sister and I see a rainbow to think of you. To this day I still do. I love how when i got older and I was in the area you and Uncle Will always welcomed me into your home. Know that I will miss you but will always cherish our time together though brief at times. Say hello to your brother John my grandfather and know I miss and love you both. My condolences to Uncle Will, Bill, Susan, and all the family and friends of whose life Auntie El touched so dearly. May God bless you all and know you are in my thoughts and prayers. Chris Daily
