“ Growing up getting to know Ellen, she was a very sweet and generous person. Anytime someone needed help she was always there to help or give a hand. She was like a second mother to me and she had a cheerful joyful heart.

“ Although I have known her daughter Lola and grand children Steph and Tony for some time, I met Ellen only once. I can see her traits of kindness and her personality reflection in her family. She surely was a loved and loving lady. God bless her and my sympathy and condolences to them all!

“ To my oldest friends and their family, my heart weighs heavy in the passing of mother Retzler. She was more than a friends mom, she was an extended mother to all who had the blessing to be a part of her life. Your family was our family, that's how it was for us kids of the neighborhood who grew up together sharing our lives in every way until life took us our separate ways. But I have always treasured the memories created and shared with your family. I was ever grateful to have reconnected, and now as life's circle completes, those we treasure move on to a new life that we will all share again someday.

My deepest love and condolences to all of you. I will miss her as I have your father.

Here is my prayer offering to you in this difficult time. May God Bless and Keep you All!

O God, Who hast commanded us to honor our father and mother, look in the tenderness of Thy mercy upon the souls of my father and mother and forgive them their sins, and grant unto me the joy of seeing them again in the glorious light of everlasting life. Through Christ our Lord. Amen.
