“ *Dear Auntie.. your love and presence left an everlasting mark on our lives. Though you are gone, your memory will be with us forever. Your energy and joy for life was felt by everyone you met. We will miss you but will think of you in heaven with Jesus along with your husband Eddie and sister Stella and brothers Vic and Bill and your mother and father. I can imagine you playing cards and dancing the polka....Rest in love...*

“ *My beloved Auntie Helen, 103 years was not enough time for you to be with us my love. You were adored by everyone who was fortunate enough to have met you. I will treasure every laugh and moment we shared together. The hours we played scrabble, sipping wine, laughing, eating sweet treats and listening to polka music. My heart smiles picturing you dancing the polka with Grandma in heaven. I will hold you in my heart forever. I loved you then, I love you now, I will love you forever, to infinity and beyond. Thank you for being my Auntie. BUMPS! "NA ZDROWIE"!!! Love you always, Melanie*

*Aunt Helen, we will miss you. We will always cherish all the memories we have of you from the first time we met to the last time we had the pleasure of being with you a few weeks ago. We are sad that you are gone but we know you are in a place that you've wanted to be in for a very long time. We will especially miss your wit. Always quick with a unique remark, right "Kiddo". Some people come into our lives and quickly go. Some stay for awhile and leave footprints on our hearts and we are never, ever the same. You are that kind of person leaving us never ever the same. And we love you for it. Gog Bless.
