PS

“ *Fond remembrance of your help and friendship Jim during my "internship" in Chicago 2003-4. I'll never forget your kindness driving me to O'Hare airport Christmas Day 2003 after the signed deaf mass at St. Francis Borgia chapel enabling me to catch flight to St. Louis...Also our many chats in Little Italy, even during the conference in the Vatican 2009... and during my subsequent visit to St Francis Borgia 2012...Jim, you are and were a rare special gem. Rest in eternal peace, and may God greet you with his loving mercy. Adieu Paul*
