“ *OMG, I was just thinking of Jim....he was an amazing man with a soft and gentle heart. I have known him for over 30 years and cherish so many paintings he made for me and Terry. He was deeply spiritual and so knowledgeable. He will truly be missed. He can now have deep conversations with Terry on the other side. I am so sorry Jan and Chad for your loss. Chad, your dad loved you very much. Prayers being said for peace to all.*

“ *Jim was my teacher and friend of 20 years. I was not aware that he passed in May, and I wish I could have been there for him. He was a kind and gentle soul with the talent of a master artisan.*
