“ *So sorry for your loss. My heart and prayers go out to you and your family. One of my fondest memories with Janice was seating around the table playing one of her favorite card game with Leeann and all the girls. We all had a blast!*

“ My deepest sympathy to the family as you go through your hours of bereavement. I really got a chance to get to know her from the time I spent taking care of her for a while. She was a sweet and loving soul that the simplest of things made her smile. She would always greet whoever she meets with a hug and a kiss on the hand. I have such fond memories of the times we spent together me making her laugh and her shaking her head and throwing up her hands. I loved you Ms. Janice and will miss you may you Rest In Peace.
