

Javier Sandoval

December 20, 1970 - May 8, 2021

We are deeply saddened and devastated by the passing of a great man, Javier Sandoval.

Javier was always a man of challenges willing to help others, he was always an exemplary father, an extraordinary husband like few others and a very dear friend who, wherever he went, he would always earned the respect and affection of others because of his good heart.

Javier was in the last months fighting for his life, but with the arrival of the pandemic his situation worsened, making his recovery more complicated. He is survived by his wife and 5 kids.

Unfortunately, with his departure, Javier has left a great emptiness in our hearts.
