“ *R.I.P Jeff...(my buddy and mentor whom I hold dear to my heart). My condolences to Mary and family. I love Jeff and he was a great friend to me and also a mentor who taught me about life and about heating and ac as well. He was an awesome teacher and even a better person. I will miss my friend but I am happy that he will no longer experience pain. He lives on in my heart and through my work as he taught me so much in the HVAC trade. Jeff introduced me to a whole new way of life and I am forever thankful to him. I thank God for placing Jeff in my life quite often. Sorry I didn't talk to you these last few years Jeff but I hope you I love you and I'll miss you until I see you again buddy. You've always been a special person to me and you always be. May God welcome you with open arms. I'll miss you brother and I love you from the bottom of my heart. Your friend,Ron Hernandez.*
