“ Mrs. Kush was such a tremendous role model for so many people. I was fortunate enough to have her as my geography and history teacher. I also had her as a drama club sponsor. I will never forget how she made it so easy to approach her and talk to her. Thank you, Kush family, for sharing her with us. She will be sorely missed.

“ I remember thinking when Kathy joined the staff of the Hearing Impaired Dept. at Hinsdale South how wonderful! Finally another deaf person teaching the deaf at South as it should be. Pete Seiler had taught there but he was gone by the time Kathy arrived. Kathy was so selfless in giving of herself. I remember how after school she would teach a group of us ASL & how much that helped. Kathy always had a smile & a good word for everyone. She will be missed. May your warm memories of Kathy soothe your soul.
