

Larry X. Morgan

December 16, 1954 - August 14, 2017

Larry Morgan, loving husband, father, and friend, died August 14, 2017 at the age of 62 from an aggressive cancer growth that initiated from the prostate.

Larry was born December 16, 1954 in Chicago IL. He spent his youth growing up on Keeler and Melvina, sharing a 2-flat with his grandfather, great Aunt, parents, and 4 siblings in one flat. His Uncle, Aunt, and cousins shared the other flat. He graduated from Taft High School 1973, and went to Coyne College for education in Electrical work. His professional experience began in commercial and residential construction. He later became a Locomotive Electrician for the Chicago Northwestern railroad. After The Union Pacific acquired Chicago Northwestern, Larry opted out to go back to his own Electrical Contracting business. He continued to run this business until 2 weeks prior to his death.

Before anything else, Larry was a family man and also enjoyed helping those in need. He is survived by his 3 children, Justean, Mackenzie, Kelsey, and wife Joy Morgan. He was frequently active in his children's lives by taking on several roles as a Church Elder, Sunday School teacher, Cub Scout Master, Boy Scout Assistant Master, Venture Crew Advisor, and CERT participant.

Larry had many ambitions and ideas. His curiosity of the world led him to many adventures. He enjoyed traveling, especially to Alaska and Michigan.

Some of his favorite pastimes included gold panning, horseback riding, fishing, and developing various projects. In his final years, he began building a 26-foot boat that he left with the shell built, fiber glassed, and partially painted. He was in the editing phase of a science fiction novel about Space Marines.

“ A mutual friend told me of Larry's passng and my prayers have been with all of you, though I never knew you and only knew Larry for a while when we were in our teens. We met while some friends and I were witnessing for Jesus on the streets of Lake Geneva, WI. Strangers quickly became friends and I am so thankful he had a good life, even though it was short. God be with you and keep you. In Christ, Nelani Nettrour
