“ The best memory I have is at his Christening as he was older than the babies that were there and he wanted to talk with all of them. His godfather and I couldn't keep a straight face.

“ Dear Patty, Larry Jr., Jennifer and all the grandkids I've never met. I'm very sad to hear of Larry's passing. There were few people I spent more time with while growing up than Larry and his sisters. We cousins were as close as siblings back in the day. We didn't see each other as much as we'd like in adulthood but the love's still there. Please accept my deepest sympathy.
