“ Leo,

*I met you over 10 years ago when you gifted us with one of Trigger's pups -"Lance". I remember about 5 months later you brought Shooter over to have a play day with Lance. When Lance smelled you he started to cry. You loved that he remembered you. The brother's had a ball that day. Knowing you through the years, it was well known how much you Believed in God; Loved your Friends, Adored "All" Animals, and Loved Riding. Well you got your wish. God is with you, your Friends are waiting for you, and Trigger is right over the bridge with a Brand New Harley.
RIP Leo It was a pleasure knowing you.*
