“ *Hello John and family; It was very sad to hear of Lina's passing. Mom always told Kim and I of how Lina was feeling at the time of her visits with her. I remember the different family functions I have been through over the years and always felt Lina's concern for mine as well as that of the immediate family. A friendly smile plus the always joyous and friendly patterned Fini family welcome. Always concerned of what was happening in our lives first. That unselfish nature is just one of many things that will be missed but I am sure will carry on with John and family. I am very glad that my wife Kim got a chance to meet her. My deepest sympathy goes out to you John as well as to your family. Sincerely, Michael and Kimberly Berg*
