“ Even though I was not there with you, I was able to watch the service. Please know I am praying for your family. Saying goodbye to a parent is a hard thing to do, but knowing where they now are eases the pain.

I have memories, short clips, of interactions with Aunt Lu. I do remember she seemed upbeat and happy. One particular memory was when we visited in 1973 or 1974...she was driving us around and found out I had my drivers permit. She all but insisted I get behind the wheel to practice driving around the city. No thanks, but did appreciate she thought I was capable. That same trip, I found out my mom was actually 4 years older than I thought she was. How Aunt Lu laughed! Here I was misinformed for 17 years!

I think you had a great mom and wish your family much peace and blessings.

*Love to all,

“ Dear Mike Tim Laura : My deepest sympathy on the passing of your Mom. She was a fun person who would fit right in with the company she was with. Her laugh and smile were unique to her loving nature. We all can rest easy knowing she is without pain and in the hands of our Lord. 🙏

“ *I'm so sorry for the loss of your Mom, Grandmother and Friend. The several times I met Lucille at your wedding, Laura, and church functions, she was always so kind and sweet. She's happy in the arms of our loving Lord now, and I believe you will see her again. Be gentle with yourselves.*
