“*Mary was one of the Mom's in my village who raised me. I had several, but Mary was a special one. We hung out at her house often, and I have so many good memories of Mary and Ed as always welcoming, friendly, nice to us kids, generous and helpful. I grew up with them in the neighborhood, at Boy Scout events, at St. Priscilla's Church and School, and at holiday and special event parties across many years. From chasing me away from under the stage in the basement at St. Priscilla's, to waking me up at summer camp when I slept late, I cherish the positive, wonderfully enriching influence Mary had on my life. I owe her a lot, and tried to tell her that every time I saw her when I grew up, er, uh, wait, I never did grow up, but, oh never mind. I will pay it forward, every chance I get.*
Love, John
