“ I am so VERY sorry to hear of Mary's passing, and I send my deepest condolences to Mary's family who she so dearly loved. She was an extremely special friend and such an amazing, honest person. I met her by chance when her dog Jack got away from her, and I happened to see her down the street. I never knew she only lived a couple doors away from me. I'll always be grateful to Jack for that because I would have probably never met her if it wasn't for him. We hit it off instantly, and we shared so many good times and laughs together. I miss our walks, talks and occasional beach walks. I haven't been able to bring myself down to the beach yet without her. I just got the confirmation I needed from this obituary.. which I've looked for before online. Mary, you are one of a kind, and I'm sincerely honored to have known you. You made my life a happy place. I still miss you and think of you everyday.
