“ I was so saddened to hear of Mary Ann's passing. She was my neighbor for 4 years. She lived above me. I adored her. Even though it was difficult at times for her and I to communicate, we had a special bond. I recently moved to a different suburb but thought of her often. I tried to help her as much as I could. I always tried to help her with groceries, snow on her car or carrying her laundry. She was always so grateful. She would always leave little things at my door, which was totally unnecessary. Her smile was enough for me. The strange part of this is....I work at the cemetery where she was brought for cremation. Even though I was sad, I felt that, it was a way I help her one last time. God Bless her and may she rest in peace. With Love, Theresa
