“ Mary used to make toast with no toaster, when she only had a hotplate, she'd put two knives in each side of the peice of bread, position it over the hot plate, and wa la! Toast! I love you Mary, I was looking all over for you, honey! What happened to you? If someone reads this and will share with me what happened to my friend of 25 years, please email me at: jebbrock71@gmail.com. Thanks!
