“ So sorry to hear this news almost 3 years after Mike's passing. I grew up across the street from the family and consider all of them good friends. Mike was the big brother. A well respected big brother that was looked up to by all including myself. Always a classy guy I remember being a freshman at Steinmetz and Mike a senior He always had time and looked out for all of his younger siblings. Great to see the scout photo with his dad, Mr. Blaul, standing proud in the back. Hearing this news after losing touch for decades is depressing. My thoughts go out to all of the family. --- Tom Zipp
