“ My condolences on the loss of your mom/grandmother. I first met Nancy when we both worked for Peerless Federal and years later we worked together again at TCF, I knew Nancy over 30 years. She was one of those friends where if you didn't talk for a long time but did bump into each other years later, you could just pick up where you left off. I remember when she found out she was going to be a grandmother, she was so excited. I will miss the stories she told about the funny things that happened to her. She could make you laugh until your face hurt. You are all in my thoughts and prayers. Rest in peace Nancy.
With Sympathy, Elaine

“Nancy Kelly's family: son, daughter and grandchildren - I am so sorry for your loss. A mom / grandmom can never be replaced. Nancy and I attended Schurz High School. Years later, we worked at Peerless. We attended many of the same holiday gatherings throughout the years. Nancy was one of the kindest, quick-witted and funniest persons I'll ever know. She was up-beat, and there was always a positive and comical outcome to her many stories. Nancy was a joy to know. You were lucky to have her; she loved you very much. She is always with you in your heart and memories. We will all miss her and I will remember her fondly with a smile.”

“ I am so sorry to hear about the passing of Nancy and sen my deepest condolences to her family. I worked with Nancy for many years at Peerless Federal Savings. She was honored by being named employee of the year. I always admired Nancy for her sense of humor and wonderful attitude. Until COVID isolated us she attended many Xmas gatherings at our house and was always so much fun. Rest in peace. I will miss you Nancy with the laughing face. Iris
