“ Dear Nanay,

Now that you're gone I won't have anymore my sparring partner with me when I go to the casinos. I will always think of you every time I cook your favorite dish (adobong chicken neck). I remembered how we acted like small kids when we always had to divide equally the chicken necks between the two of us. We shared this happy moment which I will never forget. I am grateful to you and tatay Ben for letting us live and stay in your house which gave us the chance to take good care of you and tatay. My thoughts and prayers will always be with you! Rest in peace!

Your loving daughter-in-law,

Sonia

“ To my beloved Nanay Naty,

*You may be gone from our midst, but you will always be in our minds, hearts, prayers and memories. I know that when you get to Heaven in God's own time, you will keep watching and caring lovingly over us like you did on earth.*

*Put in a good word for all of us here on earth to Jesus, Mary, Joseph, and God The Father!*

*Your favorite son,*
