“ We are so sad at the passing of Mrs. Luszczy. What a beautiful woman, what a beautiful life. The Lorenz family and Neubert family send their sincerest condolences. We will keep you all in our prayers during this difficult time.

I will always remember her sweet smile, gentle demeanor, and fun nature. I have so many fond memories of her as I grew up. All wonderful, as she was always graceful and kind. It has been a while now, but what a pleasure to occasionally bump into Nora and Bernie in the neighborhood; to see them taking a walk or catch them at the library or store. Always so genuinely happy to see you, and always made me feel good. Love to you Mrs. Luszczy from Debbie (Neubert) Lorenz.

“ Dear Bernie, Noreen, John, Eileen, and family,

My husband Daniel and I send our sincerest condolences from Crown Point, Indiana on the passing of your beloved wife, mom, and grandma ~ Nora. I was fortunate to grow up just across the street from your family on Olcott Avenue. I have so many fond memories of those days. I still remember how Nora would make special meals when I was lucky enough to get to stay for lunch. She's the one who developed my appreciation of mustard when I was around the age of four! A few years later, along with Debbie and Noreen as always, I recall "sampling" her delicious Swedish meatballs as they cooked in the oven. I'm sure she made extra because she knew we couldn't resist them. I've never been able to replicate those heavenly meatballs in my kitchen. She always encouraged us to let Eileen join us playing Barbies or babydolls. If we girls had a squabble, Nora always patched things up with Brach's white jelly nougats. I also remember her patience, and pride I think, when John's rock band practiced in your basement. She was definitely ahead of her time as a working mom when the rest of mothers in the neighborhood stayed home until their kids were older. I picture Nora always dressed tastefully with a stylish, classy hairdo - a combination of June Cleaver, Mary Tyler Moore, and Audrey Hepburn. She displayed such talent at the sewing machine, one I can say I never achieved. I never heard Nora raise her voice in anger; a firm word was all she needed to give, and we probably deserved it now and then as teenagers. As an adult, I saw her delight in her grandchildren for their distinct personalities and talents. Thoughts of Nora's gentle voice, kind words, and pride in her Irish heritage will always bring a smile to my face. Lastly, I have seen Bernie and Nora's steadfast friendship, love, and commitment to each other through the years. How rare and beautiful it has been to witness two people remain lifelong sweethearts. I share in your sorrow at Nora's loss, but know she will remain in all our hearts forever.

My love and sympathy to you all,

Nancy (Thompson) Simanek

So sorry for the loss of Mrs Nora Luszczyk 😭our condolences to Mr. Bernard and the family.

I met Nora at RLC I was the hairdresser there and I continued to do Nora's hair when she left the facility.

Little did I know I would fall in love with her she was like a mom I never had ❤️always there to listen and give a helping hand without ever wanting anything in return.

And yes she had a smile that would light up the world ❤️I only had the honor of knowing her for 4 years and I only wish I would've met her sooner so I would've had more time with her 😭 Nora you are the best mom and best friend anyone could have ❤️we will forever miss you 😭 and you will forever be in our hearts and never be forgotten. ❤️thank you for all that you did ❤️RIP my beautiful friend ❤️

“ My Mom was lovely soul , always thinking of others and how she could make a positive influence in their life. Her quick witted Irish sense of humor was always a welcoming feature at any party or wedding. She was a great cook with an international flare. She loved to dance and taught me how to jitter bug. She must have been fun on the dance floor when my Dad met her for the first time in 1952 at the Aragon Ballroom. During times of adversity, she always preached optimism. We're all so grateful that we had her for 91 derful years. Thank you Mom; you have been a blessing and will forever live in our hearts. 💜❤️ Enjoy some beautiful pics!
