

Ofelia Arauz

January 8, 1927 - September 20, 2025

Ofelia Arauz (Huerta), 98, of Chicago, Illinois, passed away on September 20, 2025.

She passed away peacefully at Center Home Nursing (formerly Casa Central) of natural causes.

My mother was a missionary and was born in Monterrey, Nuevo Leon, Mexico to Manuel Huerta and Magdalena Guijarro. She grew up with siblings: Magdalena, Manuel, Rodolfo, and Juan, with my grandfather's second marriage Manuel and Fernando (both living).

As a young woman she moved from Monterrey in 1955 to Mexico City where she met my father and married in 1956. She came to Chicago in 1958 and spent most of her life here.

She was extremely patriotic and at one point didn't want to become a US citizen because she thought she had to renounce her Mexican Citizenship (she later learned that she could have both citizenships, she taught me to be proud of our heritage and loved Mexico).

Her life as a born-again Christian changed in 1978 and from that point forward, she dedicated

herself along with my father to God and was a very devout Christian.

They founded a church Templo Triunfal de Jehovah in 1979. Her passion for missionary work and helping people started in 1984 until about 2016.

Her life was 100% dedicated to God's work and she very much enjoyed helping the poor. She would collect clothes, shoes, toys and they would spend six months a year serving the poor in Mexico.

My mother was always speaking to people either in person or over the telephone and yes, she loved being on the phone praying with or for people as again her passion was to serve.

My mother is survived by her two brothers and of course me her only surviving son she had three other boys but sadly all passed before birth.
