“ *Patti was such a kind and loving spirit. She was, also, feisty and full of life. Seeing her at work was refreshing as she was dedicated but would make time to chat every now and again. She gave very nice and memorable gifts around the holidays and we all knew Patti's gifts would include a photo of herself, her partner and her cat. She will be missed. God bless you, Patti. Rest in Peace.*

Patti was someone I only knew through her lifelong best friend Kathy Curley. Kathy shared many memories of the things they did throughout their lives, and all the fun they had doing it, two little girls who grew up to be beautiful women and kept their friendship alive throughout their lives. Patti will be missed, I'm sorry for her family & friends, for John, as a great friend of Kathy Curley, my heart breaks for you for the loss of your loving great friend, love Rosie, 💔
