“ *Pat and I worked together for many years at the Medinah Park District. She was a dedicated employee. On a personal note, I'll never forget how she helped me make the cake top for my wedding cake. My husband and I are big Sox fans and I wanted it to be a baseball. Pat searched everywhere until she could find the right mold for me and helped me make it in her ceramics class. It turned out beautiful and my husband was so surprised. It's something we still treasure. I'll never forget the kindness she showed me throughout the years and my thoughts are with her family at this difficult time. I'm sure you all know how many lives she touched.*

“ Bob and Patti My family sends our condolences to you on the passing of your mom. She was a wonderful lady, a nice neighbor, and she made you feel like you were family. Over the years that we've used your services, you dad and mom and you, Bob, made the process so much easier. I will miss seeing her standing outside working with her flowers. And just stopping in and saying "hi" for a few minutes. She had a wonderful personality and great sense of humor, which I adored. She will be missed. Sandy Horeis and family, and my mom, Eileen Field.

“ My mom, Valerie Flavell, was Pat's cousin. It was later in life when they first met and became friends. Pat and Gloria visited us in Marion, Ohio, and we all soon discovered what a special person Pat was. Over the years I have so looked forward to Pat's e-mails - so many jokes and cartoons. I will miss my special friend. My deepest sympathy to the family.

“ About 25 years ago, my handicapped sister's wake was held at Shielka's Funeral Home. Pat gave my mother a beautiful ceramic memorial book that she had made to honor my beloved sister. We have never forgotten Pat's kind gesture during such a devastating time in our lives! Our family would like to extend our heartfelt condolences to Pat's family. May God comfort you now and in the days ahead. Pat was truly a tenderhearted woman that will be missed!
