“ My dearest “Uncle Rich”,
To the man who held the pieces of my broken heart in his hands as
a child. To the man who noticed the sad little girl in the corner and
listened to her pain. To the man who brought joy and smiles just by
walking through the door.... I will remember always.
I’m so very happy that we kept in touch, sharing memories both
joyful and painful. I smile when I think of our last conversation and
your final words to me,
“ I love yous guys.”
So my dearest Uncle Rich, once again I am putting pieces of my
broken heart in your hands. Hold on to them tightly until we meet
again.
“ I will never say good-bye,
Good- bye means going away,
Going away means leaving.
Leaving means forgetting...I will not!
You will live in my heart and memories forever. I love you.

“ *My Sunday afternoons will now have a void where you once filled...just about every Sunday for the past 14 years we had our weekly conversation. I'm going to miss those! Thank you for your knowledge and tid bits of wisdom that I'll carry with me through my days. You finally got your wish....you got to yell bingo! Believe me when I tell you this...I'm going to miss you but I know your at peace now. We will meet again Papa! I love you!*
