“ I am so sorry for your loss. A father is the most important role model a person can have. He was obviously a very very good man. My wishes for your family is to remember him happily and be proud.

“ Pat: I was sorry to read the obit on Bob. It has been many years, but I remembered your name. I worked with you at Associates in the 50's (?) and haven't heard since. I am now widowed and back home in WI. Would enjoy hearing from you when you get a chance. I am sure your head must be swimming with emotions and things to do as well as the physical and mental exhaustion at this stressful time. You are in my prayers. Jane Grunewald Cohen
