### God Saw You Getting Tired

God saw you getting tired,  
When a cure was not to be.  
So He wrapped his arms around you,  
and whispered, "come to me."  
You didn't deserve what you went through,  
So He gave you rest.  
God's garden must be beautiful,  
He only takes the best  
And when I saw you sleeping,  
So peaceful and free from pain  
I could not wish you back  
To suffer that again.

“ *A beloved friend who I will miss greatly. Rosie you always gave more than you got, and always from your heart. I've never met anyone who is truer in friendship & love than you. My only wish is that we could have spent more time together to hear your laugh for you are one of the few people I have ever truly loved spending time with. You are with our creator & all the angels now so please put in a good word for me so I can stop cursing (I loved the faces you'd make when I would say those bad words...lol..). I will miss you so much friend, but I hope to see you again one day. Always & forever, your wacky friend Cristina.*
