Tribute Wall

“ *mom from your loving son. heaven has another good angel. you will always be in my loving memory. hugs and kisses.*

June 13, 2018 at 09:23 AM

“ *RIP mom, from your youngest son Jason; you were the greatest thing in my life and I will continue to love you unconditionally. We had some really good times and I'll never forget you. You are a beautiful woman with a beautiful personality and now you are in a beautiful place. Love always, your son Jason*

“ I will Always remember my Auntie Rosie. She was always laughing. My heart is heavy with regrets because life is way to short. My prayers are for Uncle Freddy and her two sons that she left here on earth who loved her very much. Rest in Peace and may we all see each other in a better place someday. Love, Angela Bigham
