“ Svi ćemo još jednom biti zajedno. Nema više boli, već samo ona sjećanja kojih smo vas se odlučili sjećati. Uza sve što smo prošli, mogu reći da ste ti i tata učinili da sve vaše kćeri postanu snažne samoovisne žene. Hvala ti za to.

Number 3 - Jacqueline or like Mamma would say "ti" after going through all of our names eventually getting the right one.

“ My beautiful mom, I will mostly miss the times we would stay up late a watch scary movies. You loved when I would order Chinese food and we would enjoy Twilight Zone and Tales from the Crypt. I miss gardening with you and then for you. You have instilled in me a love of animals and gardening that I will have forever.

“ I loved listening to her stories (especially the ones of grandpa) and talking to her about everything. She had a great sense of humor and would always make me laugh. I remember making her lemon squares and the next morning there was only a couple left. I cherish all the memories that I have of her and I will miss her deeply. I love you grandma

“ I loved my morning coffee with her. We would chat about everything and anything. We would laugh and cry. Eat our morning treats and chat in peace. And the stories about the girls....haaaaa!
