Sabina was a woman of immense faith and dedication to family and Jesus. She found strength in her faith, especially the rosary and modeled that faith to her children and grandchildren.

Sabina was an extraordinary educator for over 50 years both in Poland and in the United States She taught Saturday Polish School at Tadeusz Kosciuszko School of Polish Language for forty years. When she was retired under coercion by the administration at the school it left an unfillable emptiness in

her heart to the end. She loved teaching!

Sabina loved traveling, especially to Hawaii with her favorite travel partner. She loved spending time with friends at her favorite Polish buffet. She loved gardening, taking care of her plants, and keeping an eye on the neighborhood looking out her favorite window. She loved spending time with family and was happiest when everyone was home safe and sound.

In lieu of flowers Sabina requested anyone who wishes to honor her to make a contribution to Mack, Gabriela, and Dominik's college education fund:
