“ I worked with Sandy at JCFS for several years. She was always kind, caring and a true pet lover! I remember her fond stories of her dog Lucky, and she always cared deeply for other people. Sandy was a true pleasure to know and she's an example many people could follow for her compassion toward others.

“ Our dear friend, Sandy, was one of an unique group of seven girls who grew up in the same neighborhood sharing our childhood lives well into the many stages of adulthood. Our staggered get togethers throughout the many years were always a “priority “ on her calendar as she once stated to me; letting nothing stopping her from attending.

The sound of her laughter and her kind words will greatly be missed. Sandy may be absent in our future gatherings, but will always be present in our hearts.

Our condolences to Billy and family.

“ Sandy was such a wonderful spiritual person. We shared many days of going to the movies, eating it all different kinds of restaurants and sharing lots of laughs. This picture is of us in Michigan having a “girls weekend.” It was on a boat ride and we had such a great time. I will certainly miss her. RIP Sandy in the arms of God with no more pain.

“ Sandra and I didn't know each other well but we shared something very precious, her son, Billy, my nephew. My oldest brother, William (Billy) loved her so much. She also had a great relationship with my mother. Rest now Sandra in God's loving arms.

“ I didn't know Auntie Sandy well...But, I did meet her a few times over the course of my marriage. My whole family really liked her. She was a warm and genuine person..with a wonderful laugh. And she had a way of making a real connection with you that made her memorable.

“ My Aunt Sandy was someone I deeply admired. I have a lifetime of memories of her, from trips to Riverview and Ripley's Believe It or Not in Old Town in the 1960s, going to Drive Ins to see horror movies (she was definitely indulging me), and going out to Polish restaurants together. Her life philosophy was one of practicing kindness and tolerance towards others, something that made a deep impression on me. Her faith was something she put into practice every day, too. Growing up in a Catholic family, I know my grandparents would be proud of her and how she grew into a truly beautiful soul.

I'll miss her dearly.

“ Billy, my heart goes out to you during this time. Seems like yesterday that we were laughing about your Mom's antics and how you admired her for being so head strong. The Williams Family sends our prayers as you lay Sandra to rest in peace.
