“ I am so sorry to hear that he passed away. He was a very kind person and always spoke highly and lovingly about his family, especially his beloved Cynthia.

“ Terry was my grandfather and I have many good memories with him. But over the past few years I have gotten to know him even better and appreciate him much more. We would always have him over for holidays or special occasions and take him out to eat every week. I have also learned that he has had a big impact on many people in his community. Whether they were from his church or friends and family everyone loved and appreciated him very much and will certainly miss him.

“ I had the privilege of calling Terrence my grandpa, he was absolutely the best grandfather anyone could ever ask for. His generosity knew no bounds, and he taught us the true meaning of giving with a heart full of love. His sense of humor was infectious, he had a way of brightening our days and making us forget our troubles. I know my grandpa lived a long and fulfilling life, let us also find comfort in the knowledge that his impact will continue to resonate through each of us. Thank you for everyone who sent flowers, came to the visitation, and came to the mass. My family and I appreciate all of the love and support 💕💕

“ Terry walked with me on my RCIA journey as my sponsor. He was always very encouraging and walked in faith every day. I am so blessed to be his daughter-in-law. He will be missed by many. ❤️

“ *When I first saw Terry at St Francis Borgia Church. He was one of the nicest parishioners and usher I meted.*

I've been going to St Francis Borgia for a long time and he always make my day and morning by saying hi. He was very friendly and polite and welcoming.

I started being an usher at the church with Terry in 2021 which was during the pandemic. He helped me a lot how to be an usher and I'm very thankful that he helped me and I'm grateful that I helped him as well. He's the reason why I love volunteering at the church.

Condolences to the family and prayers go to him and the family.
