“ Our Sincere Condolences go out to the entire Gilleran family and also to Tommys second family; City Heat who lost a "brother." Tommy you were known by several names. Among them "Tombomb" and "Windex." But the ones you cherished most were Dad, Grandpa, Son, Brother and Uncle. The one we hold dearest to our hearts is that of our "Friend." Thank you for coming into our lives 26 years ago and sharing some of our families most important events. You made us laugh and shared so many stories with us throughout the years. I will definitely miss hearing your raspy voice yell out "Francois" when I walk in the door and we will miss seeing your smiling face at the end of the bar in your favorite seat. Though your life has come to an end your memory in our hearts lives on. On behalf of my entire family we know you have earned a special place in heaven reserved for Angels that ride. Rest In Peace "Tombomb" we love you. Frank and Sharon Goff and Family.

“ Uncle Tom had a spirit for life that was contagious. I don't think anyone could be around him and be down or upset. He could usually get you laughing. My heartfelt condolences go out to the children, grandchildren, family and friends of his. You will be missed. Rest in Piece~

“ I hope that when we remember Tommy,  
We don't think of him this way.  
Instead, let us remember the good times we had,  
Or the funny things he'd say.

*Remember his joy riding his bike.*

*Remember him in springtime.  
How he loved the fragrant breeze.  
Remember him in summer,  
As the sunshine kissed his cheeks.*

*Remember him in autumn,  
How he loved the turning leaves.  
Remember him in winter  
Watching snowflakes drift in the breeze.*

*Remember his laughter, his wonderful hugs, his loyalty.*

*Tommy surely loved these things,  
Remember he loved you all more,  
And don't lose heart because we'll see him again,  
When we all reach that distant shore.*
